## **THE AWARD**

The Award honours an accomplished local Thought Leader who has directly through business, professional, and/or community endeavors made an outstanding impact in Manitoba.

Just like the YA, recipients connect, learn and give back. The IGNITE Award recognizes those who not only forge ahead, but also look back to ensure those who come after them will find their own successful paths.

The Award is presented annually by the Young Associates at the IGNITE Dinner.

Administration of the event is under the care of the Young Associates IGNITE Committee and The Associates (Foundation) office.

## **1. INITIAL DISCUSSION OF RECIPIENTS**

May occur up to three years before the recipient is confirmed.

Recipients may be asked in advance for a future date and many are kept on a list for future approach or re-approach for those who have declined the honour initially.

If you would like to nominate an individual please submit an application.
